MARIA REGINA GRADE SCHOOL - ADMISSIONS 2020

ALL ABOUT MARIA REGINA GRADE SCHOOL

Maria Regina Grade School is a Catholic Private school offering the full program of primary school education. We deliver the Ministry of Education's Infant One to Grade Five curriculum in Mathematics, Language Arts, Writing, Social Studies, Science, Agri Science, Reading, Art, Music, Dance, Drama, Physical Education, Character Education & Citizen Education.

We offer a full program of Catholic Religious Education as well as First Communion Preparation in Grade Two.

At school there are two Children's Mental Health Programmes called "Zippy's Friends" which is done at the Infants Two level and "Apple Friends" at the Grade Two level.

Facilities:

Our school facilities include all air-conditioned classrooms equipped with multimedia, electronic white boards and complete sound systems with easy access to the internet at every teacher's fingertips; a modern state of the art dance studio and a multi-sport Power Court for Physical Education at every age level.

Home / School Communication:

We believe "It takes a village to raise a child".

Society is becoming increasingly isolated – neighbourhoods, families and generations are separated by the pace and practices of modern-day life. It is very important that schools and parents continuously support and encourage the children's learning and development.

Research shows a clear correlation of student's achievements with:

- An encouraging and nurturing home environment
- High expectations for child's future and achievements
- Becoming involved in child's education at school

At Maria Regina, we offer a wonderful and dynamic form of communication called Storypark, to Parents from Infant 1 to Grade 1. It is an exciting approach, to help you better understand your child's development and also an opportunity to see what goes on in the classroom. Similarly, it is a great way of interacting with your child's teacher in real time. In fact, it allows families to become more engaged in the child's life even to family members all around the community and even around the world. This form of communication is one that is exclusive to you and friends and family that you have personally selected.

Apart from Story Park, we maintain our school websites with homework and other important activities. In addition to Storypark, meeting your family is as important to us and so you will have the opportunity to meet the administration team and your child's teachers through our parent and grandparent meeting.

MARIA REGINA GRADE SCHOOL - ADMISSIONS 2020
