

Restoration - Historic Maria Regina Building

Dear Parents,

We wish to thank you for your tremendous support towards this project.

Because of this strong community effort, we are one step closer towards our goal of restoring and rebuilding the original school house where many, many past pupils were educated for more than a hundred years. We are all winners in this effort.

We are happy to let you know that **Dominic Savio House** turned in the most blocks and thus won the Pizza Party. The **Denalli** family won the Lucky Draw for one term's school fees - April to July 2019.

We look forward to continuing this strong effort in the new term.

God's richest blessings! Happy Easter to you all.

Yours sincerely,

.....

Mrs. Elizabeth Crouch,
Principal
