

**MARIA REGINA GRADE SCHOOL'S**

**HOMEWORK, PROJECTS and REVISION SHEETS POLICY**

Homework is an opportunity given to pupils to review work done in school. For some parents and children, the homework given may be too much. For others, the homework is quite adequate. Therefore if you do not wish for your child to do or complete the assigned homework on any given occasion, kindly indicate this by checking the appropriate box below.

Projects are done throughout the academic year, not only in support of the curriculum, but also to allow your child to understand, portray and display that subject/topic to their teachers, classmates and to you. If you think that this is too time consuming and therefore wish for your child to not participate, please indicate this by checking the appropriate box below.

Revision sheets are used during Term 3 both in class and as homework. Our teachers have used their time and resources to prepare these sheets to assist you and your child. If you do not wish to participate in the use of these Revision Sheets and therefore have your child revise in his or her own way with you, and, at his/her own pace, please also indicate this by checking the appropriate box below.
